Pro Drum Works Volume One is the ultimate Loop DVD library for recording musicians and producers. Available in ACID or Apple Loop formats. With Pro Drum Works, you can quickly create realistic, professional-quality drum tracks for virtually any rock, pop or country song.

Pro Drum Works is organized into three separate Drum Kits: Acoustic Kit, Thunder Kit, and Trap Kit. You get over 3,000 unique grooves and fills, each performed on all three Kits, for a total of over 9,000 loops and samples.

Individual Kits also available for download purchase.

For more information and audio samples please visit <http://www.smartloops.com/products/prodrumworks/>

Percussion Kit includes over 370 unique loops and individual samples of percussion instruments including agogo, bata drums, bongos, canjira, claves, congas, tablas, timbales, and more.

For more information and audio samples please visit <http://www.smartloops.com/products/percussionkit/>

About Smart Loops

With over 10 years experience creating professional drum and percussion loops for computer-based musicians, Smart Loops is a leading provider of professional audio loops and web-based recording services.

All Smart Loops audio files are performed and recorded by professional studio musicians and producers.

Smart Loops products are licensed worldwide, and the company's audio and MIDI content is an integral part of the best selling music software products on the market. The company's

meticulously produced drum, percussion, guitar, and bass loops are endorsed by Grammy-winning musicians and producers worldwide.
