

# BBSM-15F

The BBSM-15 is a 3-way monitor with high SPL reproducing horn tweeter and fantastic linear resolution and low I.M. distortion.

Continuing in our legendary BBSM tradition, the BBSM-15 is a 3-way monitor with a high SPL reproducing horn tweeter while still maintaining fantastic linear resolution and low I.M. distortion. Can also have an enhanced woofer and removable grilles.

Woofer	2 x 15"
Midrange	1 x 10"
Tweeter	1 x 1"
Frequency Response	( +/- 3dB ) 38Hz-20kHz
Power IEC Short/Long	200W/600W
Sensitivity @ 1m/2.83V	98dB
Crossover Frequency	350Hz / 1.6kHz
Impedance Nominal/Minium	4/2
Inputs	Heavy Duty Barrier Strip
Dimensions: H x W x D (ins.)	27.25 x 41 x 25
